

The Idaho State Independent Living Council (SILC) Is Looking for New Members

The SILC actively engages in activities that help provide Idahoans with disabilities a greater voice in obtaining services that are consumer responsive, cost effective and community based. We are solutions oriented: collaborating with people with disabilities, public agencies and private, non-profit and for-profit organizations to improve quality of life and increase independence for Idahoan's with disabilities.

Mission

The mission of the Idaho State Independent Living Council is to promote, advocate for and enhance the ability of all Idahoans with disabilities to live independently, direct their lives and participate fully in their community of choice.
