

Idaho State Independent Living Council

Volunteers Needed

Seeking individuals to elevate the voices of people with disabilities and promote the Independent Living Philosophy

We are looking for:

- Dedicated, passionate community members who have a disability from every region of the state
- The council meets quarterly (online January and July, in-person in Boise April and October). Each member serves on a committee that meets for 1 hour monthly online.

WHAT DO WE DO?

- We elevate the voices of people with disabilities. We break down systemic barriers to inclusion and integration through advocacy. We work to enhance the ability of Idahoans with disabilities to live independently, direct their lives and strengthen their communities.
