

Looking for financial security? An ABLE account might be the answer!

ABLE accounts are saving/investment accounts for people who become disabled/Deaf before age 26. ABLE accounts provide the opportunity to save money and keep needed benefits.

Who should attend?

- Parents/guardians of children with disabilities/Deaf
- Adults who became disabled/Deaf prior to turning age 26

Limited seating!

Why ABLE?

Money in an ABLE account does not count against the resource limits for SSI, Medicaid and other State and Federal Benefits

Learn more about ABLE accounts and how they can help you secure greater independence at these **FREE** workshops!
