<b>Who is Medicaid's transportation brokerage?</b>	Medicaid has contracted with Medical Transportation Management, Inc. (MTM), as the NEMT transportation brokerage.
<b>What will MTM do?</b>	<p>MTM will:</p> <ul style="list-style-type: none"> <li>• Operate a call center where Medicaid participants, family, care givers, case managers, etc. will call in to schedule a ride when the participant has no other means of accessing their Medicaid-covered medical care or needs assistance with reimbursement for transportation.</li> <li>• Authorize transportation services based on information provided from the participant, the broker will prior authorize appropriate NEMT services for the participant to access medical care when the participant is unable to meet their own transportation needs or obtain help from friends, family, or community resources to meet those needs.</li> <li>• Assign the participant to an appropriate provider for their transportation needs. MTM will contract with transportation providers to create a statewide transportation network. MTM will assign one of its contracted providers to meet participant's needs once a ride is authorized.</li> <li>• MTM will ensure high-quality transportation services are accessible to participants. MTM will monitor the transportation provider network to ensure that participants get to their medical appointments timely, providers' vehicles are safe, and the drivers are credentialed and courteous.</li> </ul>
<b>When will MTM take over the NEMT services?</b>	MTM will take over responsibility as the NEMT broker on March 6, 2018.

Question	Answer
<b>Who is eligible for NEMT services with MTM?</b>	If you have full Medicaid benefits, you are eligible for NEMT services with MTM. NEMT services are provided to Medicaid eligible participants, who do not have access to another form of transportation, to get to their medical appointments.
<b>When can I contact MTM to schedule transportation?</b>	MTM's call center will start taking calls to schedule transportation on February 20, 2018. MTM can only schedule trips that will take place on or after March 6 <sup>th</sup> , 2018.
<b>Will I call the same phone number to schedule transportation with MTM?</b>	Yes. The phone number you currently call to schedule transportation, 1-877-503-1261, will be transferred over to MTM. Between February 20 <sup>th</sup> and March 5 <sup>th</sup> , when you call the phone number, you will have the option to either speak to Veyo, the current NEMT broker, or be transferred to MTM to schedule transportation for after March 6 <sup>th</sup> .
<b>Will MTM provide services directly?</b>	No. MTM will only coordinate services and will not operate any vehicles under this contract.
<b>Will MTM contract with all current Medicaid transportation providers?</b>	MTM will contract with many of the same providers that serve Medicaid participants now. However, MTM is not required to sign contracts with current providers and may choose to contract only with the providers that can meet the needs of Medicaid participants most efficiently in a given area.
<b>Will I be able to ride with the same provider that I have used in the past?</b>	Many, but not all participants will be able to continue to use the same provider. If the NEMT provider you currently ride with chooses to not contract with MTM, they would not be able to provide transportation services for Medicaid participants.
<b>Will I be able to continue to receive reimbursement as an individual transportation provider for my own transportation, or for a friend or family member's transportation?</b>	Yes. MTM will continue to contract with individual providers. MTM will reimburse individual providers at \$0.30 per mile.
